

I am extremely annoyed that telemarketers are calling and saying that the call is in regards to your bill (with whichever client they are marketing for, recently it was Alliant Energy) to get you to continue the conversation, and then try to sell you some sort of Product or insurance coverage (with "Trans Action TE 1-708-857-5009" that came up on the caller ID claiming our Alliant bill, they were trying to get us to sign up to pay more for the renewable energy option, which is already an option printed on the monthly bill!)

Another scenario is when the telemarketing firms or businesses come up anonymously on the caller ID and then refuse to say directly who they are....

Or they call and you ask them to remove your name from their list so someone else calls from the same company from a different phone number trying to sell the same "Credit Protection Insurance" for the same credit card...

SOME OF THE #'S THAT COME UP WITHOUT ID'S....

"FLORIDA CALL 1-954-926-5876" MULTIPLE TIMES
"TOLL FREE CALL 1-877-291-7322"
"TOLL FREE CALL 1-888-858-9823" 7 TIMES IN THE LAST 7 DAYS
"TOLL FREE CALL 1-877-467-3277"
"TOLL FREE CALL 1-877-290-6785"
"TOLL FREE CALL 1-877-467-3277" MULTIPLE TIMES

"COLORADO CALL 1-303-209-8080" MULTIPLE TIMES

BY THE WAY….ALL OF THESE CALLS WERE RECEIVED OVER JUST 6 DAYS!!!!!!!!!!!!!!!!!!!!!!

ONE MORE THING I'D LIKE TO COMPLAIN ABOUT.... when these telemarketers are using automated/computerized calling messages, and there isn't a way to tell them to stop calling!!!!!!!!!!"
